

Community Space Call Out – Apply Now!

Are you a charity or community group based within the Islington area? Do you need regular space for meetings or workshops?

Kings Place is pleased to offer x4 community partners in-kind space as part of our new Community & Education Strategy. We are an open, multi-arts venue in the heart of King's Cross, presenting an adventurous and critically acclaimed programme with words and music at its heart.

We are delighted to support arts education charities, young people and community groups through this opportunity. As part of our commitment to being a welcoming and inclusive space, we are keen to support partners who could benefit from regular space for rehearsals, workshops and/or meetings. As a charity ourselves, this is a key priority for us, and we aim to offer our spaces to partner organisations free of charge. Depending on the timing and requirements, there may be a small fee to cover basic staffing and health and safety provision.

These include: 100 seat, 37 seats, 24 seats
